REENDORSEMENT

Inmate Shamburger refused to appear before PBSP Facility D SHU ICC on this date for Annual/114D Review. No staff assistant was assigned as S is not illiterate, speaks English, can comprehend the issues, and is free of mental health services needs. An investigative employee was not required. Prior to Committee, S was issued an updated copy of his CDC 114D dated 8/03/06 and the CDC 812A, Notice of Critical Case Information - Prison Gang Identification, updated by IGI on 8/03/06. Committee notes a CDC 128-B2 dated 6/07/06 citing 3 documents that meet prison gang validation requirements. S is affiliated with a prison gang that is known to be involved in criminal activities which threaten the safety of others and institution security, and this requires continued segregation from the GP. S is informed, via this chrono, that the Departmentally recognized avenues for release from SHU are through the debriefing process or through being determined to be an inactive prison gang member or associate as delineated in CCR, Title 15, sections 3378(e) and 3341.5(c)(4) and (5). C-file reflects IGI completed an Active/Inactive Review on 3/31/06. S does not meet criteria for inactive status as outlined in CCR, Title 15, section 3378(e). S will be eligible for Inactive Review in 3/2012. **Committee acts to retain SHU-INDET and refer to CSR with recommendation for PBSP-SHU based on his validation as an active member of the Black Guerilla Family prison gang.** The prior CSR action dated 10/20/05, noted no concerns. DDP Review: 128C-2 in C-File S has no cellmate and committee notes the "S" custody suffix has previously been applied. **Committee acts to retain the "S" suffix because S has not successfully completed the compatibility review for double celling in PBSP SHU.** S is advised, via this chrono, of the Committee's decision and his right to appeal. BPT Sub#2 Hearing scheduled in 8/2006. Next scheduled Committee will be 2/07 for 180-Day Review.
